VICTORY LOAN BANQUET

The Committee and Canvassers of the Fourth Victory Loan planned an innovation in their usual form of procedure, this time including Ladies in their invitation list.

Chairman E. N. Ridley presided in his usual genial manner.

Calgary guests present were Mr. S. Robbins and Mrs. E. Baker, members of the Wartime Finance Committee of Calgary.

Each gave interesting addresses stressing the good work accomplished by the local committee at each loan. Replying to the query as to why Strathmore's quota had been increased to so high a figure, Mr. Baker replied that each Unit asked the same question, but in the end they went over the top.

Mr. Robbins stated that while they had no fear re Strathmore raising the quota, in the early days of the campaign they had become a little fidgety, when returns were slow in coming in.

Mr. Frank Fulton, Unit Organizer paid a deserved tribute to the "Men in the field" who he said were the ones who did the real work, for while the committee could plan, it was the canvasser who had to meet and persuade the public. This they had done to the surprise and gratification of the committee to the tune of 126% of the exceedingly large quota of \$151,000, making a grand total of \$190,000.

Previous loans stand as at—

Mr. Ridley called on a number of the canvassers present to relate some of their most trying experiences, but these were kept in the background and only the optimistic note given utter-

Masonic Service at St. Michael's Church And All Angels' Church

At the invitation of the rector Rev. E. J. Hoad, B. A., L.Th., members of the Masonic Order from Calgary, Rockyford, Chancellor and Standard attended service Sunday evening in St. Michael's Church.

The Open Bible, emblem of the Faith of the Order was borne by D. A. Perry and handed to the rector.

Lay reader G. H. Patrick offered prayer and scripture lessons were read by Messrs George Bell and Harry Wood.

ance. Canvassers speaking were Messrs Lauritzen, F. Cramer, Laurie C. Colwell, J. H. Dixon, M. McElroy, J. Colwell, F. Russell, H. E. Johnson and M. Barker. Mayor Gannon expressed his pleasure in being present and congratulated the Workers on their achievement.

Mr. T. E. Wright, in proposing the toast to the Ladies stressed the work in Stamp selling that had been carried on by the ladies with the girls in town under the supervision of Mrs. Spence Hughes and of the Teachers in the schools with the following totals turned in— Jan. \$521, Feb. \$620, March \$426, April \$290, May \$390.

Mrs. F. Fulton replied very ably and interestingly to this toast.

Community singing led by Mr. Patrick with Mrs. Alice May as pianist interspersed the various addresses.

Two solos by Mr. Patrick were very well rendered. "The Queen She is in London" and "Ten Little Bottles."

About 60 enjoyed the choice dinner served by Mr. and Mrs. Hansen.

The service throughout was dignified and a most interesting sermon was given by the rector.

Rev. Hoad in his address used two ideas for the background of his remarks. He asked what Freemasonry was and gave the following definition, "A charitable, benevolent, educational and religious society." Then he mentioned the occasion of their church parade the Nativity of St. John the Baptist and used St. John's own description of himself, "I am the voice of one crying in the wilderness." The last, he said, strikes the chord for our lives and went on to point out that we are in a chaotic wilderness, mentally and spiritually. This has been caused through the war, and will be more devastating before it is better. In this wilderness several voices are being heard, among them is the voice of Freemasonry. It is heard in the alleviation of suffering. This latter the speaker stressed must only be the expression of the thoughts which underwrite our actions. Freemasonry, he said, has been described as a religious society, and while allowing the initiate freedom of conscience it demands a cognizance of certain spiritual facts and practices. It is these features which the voice of Freemasonry must also make plain to the world of today, remembering always that the authority for any voice is the life of its devotees. If the life is lacking then that voice is a sham. Mr. Hoad asked that all add to the voice of their respective group, to help now with the prosecution of the war and to plan for the post-war period, and to include in that period the spiritual side of life in which all life finds its answer.

Chief clerk in the chief engineer's office of the irrigation headquarters of the C. P. R., at Strathmore for the past 19 years, Ernest William Whiteside, 57, died at his home in Strathmore, Tuesday after a lengthy illness.

Born in Metcalfe, Ont., he came to Canmore in 1902 and was employed there until 1912, by the H. W. McNeill Company and the Canmore Coal Company.

From 1912 to 1924, he was in the chief engineer's office of the C. P. R. irrigation department, Calgary. Since that time he had lived in Strathmore. He was a member of Calgary Lodge No. 23 A. F. and A. M.

Surviving are his wife, Ruby; a daughter, Mrs. A. W. Blackley, Calgary; one brother, Milford, of Metcalfe, Ontario.

Rev. S. R. Hunt will conduct the funeral service at 4 p.m. Friday in the Jacques chapel. Burial will be in Queen's Park cemetery.

Pall bearers are Messrs J. B. Gravely, E. W. Thirwell, W. F. McNeill, F. E. Wright, B. Fessenden and A. P. Gray.

Mr. Whiteside, though not in good health for some time, was at the office Monday afternoon and enjoyed a bright chat with his fellow workers. The end came very suddenly about 8.30 Tuesday morning. His garden, which has been the delight of many visitors, was his chief hobby. Possessing a genial and happy nature he will be much missed.

The sincere sympathy of a large circle of friends will be extended Mrs. Whiteside and daughter in this sudden bereavement.

HONOUR ROLL

In the list of Strathmore names Ralph Martin's name was inadvertently omitted. The Standard regrets this omission and places it on this page so that readers may connect it with the list.

Should there be other omissions, we will appreciate it, if friends will send them in at once so that they may be printed in our issues of the next two weeks.

Successful Sports Day Held By Lions

Local Lions had arranged an interesting variety of sports to suit all. The weather was fine, a good crowd gathered, the Refreshment Booth did a flourishing business and all combined to increase the Treasurer's box by a goodly sum.

Races, games of skill, Ball games and a dance at night filled the day.

Ball Teams competing in the tournament were—

Keoma, Lyalta Katharine, Nightingale, Strathmore, Elwood and Strathmore School.

There were some very exciting games played, Keoma winning the

tournament in a final game with Lyalta after a hard battle. This game was very close, there being no score until the seventh inning, when Lyalta made one run. Keoma, however, came back with three fast runs in the ninth and then held Lyalta down to the end and won by a margin of 3 to 1.

Mr. Ringdahl's High School Team defeated Elwood in a very exciting game on the school grounds. When this team entered they never expected to win a game and the shock proved too much. They never showed themselves for their second game with the Katherine team.

THE OUT-SIDE

● Orders have been placed for 75,000 gallons of asphaltic oil for surfacing Alberta highways this year, according to information received from the Provincial Public Works Department by the Alberta Motor Association.

● While there is a great deal of repair and patch work to be done on 600 miles of main highways in the province, officials believe that the surfacing supply that is sought will aid materially in improving conditions for motorists.

● RAY ATHERTON IS NEW U. S. ENVOY TO CANADA—

WASHINGTON, June 24th.—Ray Atherton, one of the top figures in the United States diplomatic service, was nominated today by President Roosevelt as minister to Canada. He will succeed Jay Pierrepont Moffat who died in Ottawa a few months ago.

WEDDING

GODFREY - KEELER

A very pretty wedding was solemnized at Sacred Heart Church Thursday July 1st, when Margaret, Keeler eldest daughter of Mrs. Keeler and the late Mr. Keeler of Eaintree, became the bride of Roy Godfrey, son of Mrs. H. E. Godfrey and the late Mr. Godfrey of Ardenburg, Reg. & M. Fitzpatrick officiating.

The bride wore a very lovely floor-length gown of turquoise blue crepe cut on Grecian lines and blue shoulder length veil held in place with pink rosebuds.

She carried a bouquet of red roses and white sweet peas. Miss Helen Keeler was her sister's bridesmaid. She chose for the occasion a dusky rose gown cut on similar lines, a short veil in matching shade and a bouquet of pink carnations and mauve sweet peas. Bride and bridesmaid each wore long white lace mitts and white pumps.

Mr. Jacob Keeler supported the groom.

The wedding music was played by Miss Gerry Van Tighem and during the signing of the register the choir sang a number of hymns.

The Wedding party motored to the home of the bride's mother where the Wedding breakfast was served and felicitations extended.

Later Mr. and Mrs. R. Godfrey left for the mountains where the honeymoon will be spent.

On their return they will reside in the home district. For her going away suit the bride wore a smart combination of brown and beige.

Both bride and groom have many friends in the Community who will unite in wishing them a very happy and prosperous future.

COMING EVENTS

Red Cross Garden Party will be held July 17 in Lambert Park. Bingo, Tea, Superfluity Table etc. etc. will furnish attractive entertainment.

MISSIONARY HOME FROM CHINA ON FURLOUGH

WENDELL PHILLIPS, BROTHER OF L. A. PHILLIPS, WRITES INTERESTING LETTER

Wendell Phillips, missionary to China, formerly of the Carseland Community and his wife Ethel Cober Phillips and their baby daughter, Kathleen, are visiting relatives in Strathmore and Carseland Districts.

They lived in the Province of Shensi North China, for seven years and this was their first visit home. Sunday afternoon a large number of Mr. Phillips relatives gathered at the home of his father, Mr. C. A. Phillips at Carseland, for a visit with them.

He said they left Chungking China on Oct. 8th, 1942, and landed in New Orleans about the middle of May. They flew over the Himalayas 11,000 feet high, to Calcutta, this being not only the highest, but the most dangerous flight in the world. They travelled in a Douglas airliner.

From Calcutta they went to Bombay by train a 48-hour trip. Here they waited many days for a ship that would take women and children. It finally arrived and took 12 days to reach Capetown, South Africa. The ship just ahead and the one just behind them were sunk by submarines.

At Capetown they intended to stay at the Missionary home for one week, but it was two months before they could get a boat. They crossed the south Atlantic, an 18-day trip, to Buenos Aires.

After several days stay they went by land over the Andies to Valparaiso. Here, Spanish was the only language they heard. They stayed at the Salvation Army hospital home and met others from North America. They waited 25 days for another boat, and sailed to Balboa, Panama, thence to New Orleans a 13-day trip. They had plenty of escorting ships, with observation balloons hovering overhead, but there was no interference.

From New Orleans they went to Washington D. C. and Philadelphia, then to Toronto, Canada, then back to the eastern States to visit Mr. Phillips birthplace, Dowagiac, Mich, later returning to Canada to visit Mrs. Phillips home at Swan River, Manitoba.

Mrs. Phillips is also a missionary in China having been in China a year longer than Mr. Phillips. They were for six months under Jap domination, and say the stories we hear about them are not exaggerated. Their baby daughter was born in China.

They will be spending some time in Alberta.

THE BOMBER PRESS

—By Walter R. Legge—

BOMB DAMAGE AND CIVILIAN MORALE

All Canadians are intensely interested in the bomb damage in Britain. We found, on our return to Canada, that everywhere we went we were certain to be asked about it.

It has been said that there is not a village in England that has not had a bomb dropped on it, but I know of several places that up to the time that we were there had not seen a bomb. After landing and boarding the train for London, we were surprised to see no sign of bomb damage until after we had been travelling for several hours. There are a few signs of bomb damage to be seen in any of the smaller places, except near the east and south coasts. Even in London there are large areas that appear to have been untouched. We began to realize how small a start the Germans had made toward the destruction of Britain.

Where a building has been totally destroyed, it is difficult for anyone who has not seen the building to visualize the amount of the destruction. For instance, when we were being shown around Bristol, one day, our guide halted in the centre of a large area that had been demolished. Pointing to a part of it, he said, "That is where one of our largest departmental stores used to stand." We could see a heap of rubble, but never having seen the store it was impossible to appreciate the extent of the destruction.

In other places where the walls are

still standing, it is much easier to understand the damage. We drove through parts of London, and later walked through parts of Bristol, on brilliant moonlight nights, and the moonlight, shining through roofless and windowless buildings, made a terrible picture, never to be forgotten.

We visited blitzed areas in London, Bristol, Bath and Portsmouth, but there are many other places that have badly battered areas. Hull, Dover, Coventry, Plymouth, etc.

In some cases areas of several blocks have been absolutely flattened, while in others, one house in the middle of a block may have been demolished as if cut out by a huge knife.

We were told that there is a well defined pathway between London and the coast, leading toward Germany, along which the fields were ploughed up by bombs which had been dropped by raiders who, unable to penetrate the London defences, had turned back and dumped their bombs at random.

In April, 1942, Hitler carried out what is known as the "Bedecker" raids (so called because they were aimed solely at destroying famous places), on Exeter, Bath, Norwich, York and Canterbury. Civilian casualties at Bath, Exeter, Norwich and York were 938 persons killed and 998 injured. Many of the killed were never identified. The pathetic description of one at Bath read, "Age, about two years; hair fair; eyes, blue gray; division between top row of teeth; no other distinguishing features."

The most deplored architectural loss in Bath was the Assembly Rooms. The rooms, said to have been the most beautiful in Britain, were first opened

in 1771, and had been refinished in 1938 at a cost of fifty pounds sterling. These rooms delighted Charles Dickens, who made them famous as the scene of Mr. Pickwick's game of whist with the "three thorough-paced female card-players."

Bristol, we found, had been rather badly battered, principally in the winter of 1940-41 during which 2250 houses were destroyed and about 46,000 received varying degrees of damage. Many other buildings were destroyed, including 22 elementary schools and 29 churches.

Our home in Bristol was the Royal Hotel, which was carrying on, although the back part, including the dining room and many of the rooms had been bombed off. The rooms occupied by some of our party did not have any glass in the windows.

In four of the larger cities which we visited, we saw areas many blocks in extent that have been completely flattened. Since returning home, I have heard that up until December 31, 1942, the number of Britons killed in air raids was 47,860 and the number injured was 66,410.

We heard many expressions of appreciation for the assistance sent to the stricken people by various funds in Canada.

One of the aims of the enemy was to destroy the morale of the people. It was interesting to study the actual effect. We found that the stories we had heard of the way in which the people had taken the punishment dish out to them were absolutely true. Their spirit is simply wonderful.

One of our guides in Bristol, who had been a prosperous merchant, showed us a mass of rubble in the midst of the bombed area, and quietly remarked, "That is all that is left of my life's savings." No complaints. Just a grim determination to carry on.

An official of an establishment where one of my relatives was employed, was bombed out of three places the same night, but he was on time at the office in the morning.

There have been cases of employees coming to work in the morning before some of their relatives had been rescued from ruined buildings. England is a tight little island packed with heroes and heroines, even if they do not all wear uniforms.

Their morale is proof against any terror that can be launched against them.

Here's to heroes and heroines, valiant and strong,
Who carry on bravely, no matter how long;
Through darkness and peril, they're steadfast and true,
The people of Britain — Here's to you!

She — What were you doing after the accident?

He — Just scraping up an acquaintance.

CLUNY

—By A. C.—

Mrs. John Wecker, who has been visiting Mrs. Allan Clark, returned to her home in Calgary on Friday.

On Saturday evening the W. I. bridge club met for the grand finale of the season when the losers entertained the winners at a chicken dinner. This event took place at the dormitory with the kind permission and co-operation of Miss Gillanders, a very pleasant evening was spent and the winners were unanimous in voting the losers good sports and good cooks.

Misses Peggy Somerville and Elaine Smith were week-end visitors at Mrs. Somerville's. Peggy and Elaine have had a glorious two weeks holiday at the Pacific coast and week-ended here on their way back to Edmonton where they are both employed.

Mr. and Mrs. A. Hallett, formerly of Cluny, but now of Victoria B. C. arrived in town on Friday evening on a surprise visit to the Fairbourn's.

Miss Brown of Calgary visited with Miss Gillander over the week-end at

the Dormitory.

Mrs. W. Somerville entertained at the tea hour on Saturday in honor of her daughter Peggy and Elaine Smith.

Crops in our district are really looking very well since the recent rainfall.

Mrs. H. Harrison, who has been visiting her parents, Mr. and Mrs. Geo. Sniderman for some time, has returned to the Pacific Coast.

Mrs. Goldsmith is spending a few days in Calgary visiting friends and her two daughters, Catharine with the C. W. A. C. and Belle, who is training at the Holy Cross Hospital.

Mrs. Walter James entertained at dinner on Thursday evening in honor of Mr. and Mrs. Bert James and family of Gleichen.

The master of the house rang for the maid. The girl was in the act of cleaning pots and pans, and before she could tidy herself, her employer entered the kitchen to see what was delaying her. He looked at her dirty face and hands.

"My word, Mary," he said, "but you are pretty dirty, aren't you?"

Mary (smiling coyly)—"Yes sir, "but I'm prettier clean."

PELHAM RICHARDSON

Mr. Richardson, well known to Canadian radio, was born in England, but came to Kingston Ontario, at an early age. He obtained his schooling in Canada, and later studied music in New York and Los Angeles. Some of his early network shows were entitled "Prairie Half Hour," "Live, Laugh and Love," "Melody Lane." In 1928 Mr. Richardson conducted the "Little Symphony," one of the original studio orchestras in Canada, and among the first to broadcast on a coast-to-coast network. A Veteran in Canadian radio Mr. Richardson has met with some unusual experiences. His worst moment was when, with seconds to go until broadcast time, the vocalist fainted! Presence of mind and some hastily-applied first aid resulted in her recovery in time to go on, with no indication to the listeners of the near-disaster. Pelham Richardson's orchestra is heard on Tuesday's at 11:00 p.m. (10 p.m. MDT) over CBK and stations of the Western network.

The great man is intent upon his work, the little man upon his reputation.

DUCKS UNLIMITED AT WORK ON
"LOUISIANA LAKES" NEAR
TILLEY

Combat Batulium, Provide Stock
Ponds By Building Reservoirs
in E. I. D.

Ducks Unlimited is spending thousands of dollars in Western Canada this year on conservation work and a large percentage will be expended in the Eastern Irrigation District. The project now underway here, known as Louisiana Lakes, is located about 8 miles northeast of Tilley, on the South Bantry Canal.

This area runs through the range country, isolated from cultivated farm lands.

Prior to the work, the South Bantry Canal was used for stock watering purposes by the ranchers in that area. When the water was needed, the ranchers opened the structures and filled low areas adjacent to the canal. Ducks Unlimited's work entails the reconstruction of the canal, repairing any structures now in a bad state of disrepair, and holding these lakes which the ranchers create, at a permanent level.

"Phantom waters" are dangerous to both stock and bird life as it is very easy for disease germs to become active where fluctuating water levels exist. Cassils Lake, west of Brooks, is an example of what can take place due to this condition. Ten thousand ducks perished there in 1941.

Without a year-round supply of fresh water, range land is utterly useless. Thus officials of Ducks Unlimited feel their organization is performing a service to the livestock industry while at the same time carrying on the work for which they exist, the betterment of duck breeding grounds in Western Canada.

With regard to damage to crops by ducks, officials of Ducks Unlimited state they are in sympathy with the farmers and are taking every precaution to minimize such damage. On the Louisiana Lakes project it is proposed to sow a crop suitable for duck feed on an adjacent acreage. This will attract the ducks to this area and tend to keep them from molesting the farmers' crops.

They are also asking farmers who have experienced damage through ducks feeding on their crops, to contact their fieldman. The organization has been experimenting with various types of "scare-aways" and a certain type may be adaptable to this district.

JULY 1st, CANADA'S NATAL DAY

1867 — DOMINION DAY — 1943

"AND he shall have Dominion from Sea to Sea." After the terms of Confederation had been arrived at and the Statesmen interested, were casting about for a name to adequately describe the vast domain thus brought into being, it was on hearing the reading of the above Psalm the word dominion caught the ear of the statesmen, and thus evolved the name Dominion of Canada.

Optimistic as were the hopes of the Fathers of Confederation we venture the statement that the Dominion has advanced to a greater degree of progress and development than these statesmen expected.

We are, however, just on the threshold of the future that awaits the full development of our natural resources which will place Canada in the forefront of the nations of the world.

Characteristics of our people are courage, resourcefulness, initiative, and a broad intelligence that will lead them on to large fields of endeavor. There are pitfalls to be avoided and we must take care to build wisely and well.

Building wisely and well, having as the keystone a character that stoops not to unscrupulous actions either with individuals or nations we can build a great Canada, taking her place in the world's progress to the consummation of the conditions outlined in the Atlantic Charter.

We look to the hastening of the day when "the sword shall be turned into the plow share and nations shall learn war no more."

AIR FORCE NOTES

R. C. A. F. (W. D.) HOSTS TO WOMEN'S ORGANIZATIONS

In line with a program which is being carried out by R. C. A. F. units across Canada, several air training stations of No. 4 Training Command will be hosts on July 14th, to representatives of women's organizations.

Purpose of the 'At Homes' is to give Canadian women an opportunity to become acquainted with part women are playing with the armed services as members of the Women's Division of the R. C. A. F. and to witness at first hand the work the airwomen are performing. Visitors will be given the opportunity to see all phases of station life and will be entertained at tea in the various mess halls.

The R. C. A. F. hopes by this means to repay in some measure the many kindnesses extended by the women of Canada, not only to women in the service, but to thousands of airmen who have been shown great hospitality while far from their homes during the course of their training.

In the case of the City of Calgary, an extra day has been set aside for guests July 7th, when visitors in the City for Stampede Week will be invited to visit No. 3 S. F. T. S., Currie.

"At Homes" will be held at the following training units of No. 4 Training Command and in each case, the area to be served by each unit is given. Invitations are going forward from Command Headquarters and when received organizations are asked to contact the unit which is in their area, giving names and numbers of representatives who will be guests.

No. 3 S. F. T. S., Calgary—to Gleichen on the East; Okotoks, Turner Valley, and all districts in Alberta.

Among women who will receive invitations will be any who at any time have extended hospitality to W. D. personnel, next of kin of W. D. personnel, women newspaper editors and radio commentators.

Arrangements are being made by the units noted for staffs of women's division personnel who will act as guides and escorts for the station tours, but guests are to feel free to divert from planned itineraries at any time, if they desire to spend more time in any particular section because of its unusual interest to them.

From time to time further announcements will be made to keep prospective guests informed of arrangements for their visits to the units.

NIGHTINGALE

By H. K.

Miss Mary Trollope and Miss Doris Putman of Calgary also Clarence Putman from Edmonton, spent the weekend with their parents. All are enlisted with the R. C. A. F.

The ball fans have had lots of fun lately at their practices. They played with Elwood last Sunday and defeated the visitors.

Mr. and Mrs. Thurston had as their guests last Sunday their daughter-in-law Mrs. Isabelle Thurston and baby from Lysal also Mr. and Mrs. Tom Taylor and daughter from Strathmore district.

Everyone is planning to come to the dance at the hall on July 2nd. Good music and a good time is promised.

Tom Stoodley is home again after completing a year's work at Kathryn High School. He has joined the Cadets and will spend three weeks at a training camp later.

RURAL GLEICHEN

Mr. and Mrs. Elmer Sanders and children spent last week-end with Mr. and Mrs. Geo. MacBean.

Word was received from Jack Wells while he was on leave in London. He is fine and is now Flight Lieutenant.

Miss Selma Sammons spent the weekend with her parents, Mr. and Mrs. H. Sammons. Selma is working as a civilian help in the dining rooms of the Air Force at High River.

Miss Florence Warner, who has been teaching this past year at Elwood will enroll in summer-school immediately her school is finished.

Mr. and Mrs. A. F. Wilson and Mr. and Mrs. J. Wilson went to Calgary Monday to attend the private burial of the infant son of Dr. and Mrs. A. E. Wilson.

Mrs. Floyd Sammons received word from her cousin, Mrs. Gladys Davis, that she has another son and named him John Washburn Davis. Mrs. Davis is well known here having visited her grandmother the late Mrs. J. C. Hutchison a few years ago.

Mr. and Mrs. J. Watson and two children were visiting her father, Mr. Tom Wilson last week.

SEEKERS OF FARM

PROSPERITY

Western Canada will be gratified with the interest being shown in Parliament in the proposals which have been advocated since 1936 by the Line Elevator Companies for more intensive scientific research in developing industrial uses for farm products. The Line Elevator Companies have all along contended that greater farm prosperity would result from expanding markets through new uses for wheat and other farm products. In 1938 and 1939 a representative of the Line Companies visited the principal research laboratories of the United States and reported great possibilities for utilizing large quantities of wheat in the manufacture of alcohol and starches. This information was made available at that time to the Dominion Government and the Chemurgic Committee of the Canadian Chamber of Commerce. The weekly newspapers of the Prairie Provinces joined with The North-West Line Elevators Association in urging the Government to establish a Western division of the National Research Council and to erect plants for the manufacture of industrial alcohol from wheat. All beverage alcohol plants in Canada and the United States have since been converted to the use of wheat for the manufacture of industrial alcohol for war purposes.

Parliament a few days ago witnessed a unanimous demand from Liberal, Progressive-Conservative, C. C. F. and New Democracy members for the Government to appropriate \$500,000 this year to intensify scientific research for development of industrial uses for farm crops and thereby add to the prosperity of agriculture. Farm organizations, the Governments of Saskatchewan and Alberta, the Pool Elevator Companies, Industrial Development Boards and various Boards of Trade in recent months have all added their voice to the need for action.

It is gratifying to the Weekly Newspapers to find that the consistent supporters which they have given the Line Elevator Companies' proposals during the past five years is bringing about a demand from all sections of the country for action by the Dominion Government. It is hoped that steps will be taken during the present session of Parliament to appropriate sufficient funds to establish a Western division of the National Research Council.

The picnic grounds at the river close to North Camp was the scene of a happy crowd last Monday when the pupils of Shamrock School and their friends gathered to celebrate the closing of the school term. The picnic lunch at noon proved to be a real feast. The afternoon was full of races with appropriate prizes for the winners, ballgames and contests, ice-cream and lemonade were plentiful throughout the day, and though it began to rain the crowd enjoyed another meal before they broke camp and went home. At an opportune time in the afternoon John Repp, a member of the ninth grade, on behalf of the pupils of Shamrock presented Miss Sumner with a bed lamp. She was very much surprised and answered with a few well chosen words of thanks.

Mrs. Laurie Lilja and son Kenneth left Sunday evening for Wadena Sask. where she will visit with her mother, Mr. Inga Hokenson who has been ill.

Mr. and Mrs. H. Stott and Mr. and Mrs. G. Stott and little daughter left by car Friday to visit Mrs. G. Stott's parents, Mr. and Mrs. Steinhaus, at Isley.

CLEAN OUT AND CLEAN UP ON HITLER!

IN THE FOOTSTEPS OF LAURIER

Sir Wilfred Laurier, first French-Canadian Prime Minister of Canada, headed the Liberal governments from 1896 to 1910. In 1897 he attended Queen Victoria's diamond jubilee. He secured the denunciation of the German and Belgian treaties, thus enabling Canada and other Dominions to make preferential trade arrangements with Great Britain, and he introduced the Canadian preference of 33 1/3 per cent, for British goods. In the South African War he sent Canadian contingents. His premiership was a period of great prosperity for Canada. He strove always for unity within Canada and within the Empire, and for friendship between Canada and the United States.

Quebec has produced another great Canadian in Premier Adélard Godbout. The Speech from the Throne stamped him as a coming man in this country. What he proposes to do for education, reforms painfully neglected, and his plans for the post-war work in his province place him high up among those public men of whom Canada can take pride.

In the House not long ago he said—"Quebec is not my field of action, Canada is my field of action."

"Some have asked why I so strongly support the war effort. I have given my reasons. And I call on every one now to do his part."

"I want a unified Canada now, and I want a unified Canada after the war. I want to see Canada grow into a great country, and I want it to be an example of unity and harmony to the rest of the world."

These words came from the man who was elected when M'sieu Duplessis appealed to the Province in an anti-British campaign.

They smack of greatness and mark him as a man of Sir Wilfred Laurier's stamp. Whether or not he rises to the heights Laurier achieved, the future alone will tell. It can be said he as his feet started on the way.

CARSELAND

By M. H.

Mrs. Beulah Hill and small daughter Pat of Long Beach, California, arrived by plane last week to spend three weeks holiday at the home of her parents Mr. and Mrs. S. C. Nelson.

Mrs. Melva Miller and Mickey of Carbon have arrived to spend the summer at the home of Mr. Walter Cote.

We are glad to report that the condition of Mrs. W. E. Sieber is somewhat improved.

Miss Hilda Thiel of the C. W. A. C. spent the week-end at home.

Mr. and Mrs. C. G. Christensen, Mr. and Mrs. Harold Hvenegby and Gordon of Cardston visited at the home of Mr. and Mrs. W. H. Groves last week. Eric Barlow is making a favorable recovery at the General Hospital. Ed Barlow spent the week-end at home.

Mrs. O. Stirn went to Calgary last week to undergo an operation. We wish her a speedy recovery.

Rev. Hunt of Strathmore took charge of the Dalemard and Carseland congregations on Sunday.

Carseland friends wish to welcome home Mr. and Mrs. Wendall Phillips and small daughter Kathleen. Wendall has been away for eight years in a Chinese mission field and his home coming is a special treat for his father, Mr. C. A. Phillips and all relatives and friends. His journey home was rather a long one, by way of Cape of Good Hope and the United States. Toronto and finally Calgary were reached, where he arrived on Sat morning. We wish him a very enjoyable holiday.

ARDENODE

— By H. M. A. —

Saturday afternoon last Mrs. Tommy Chamberlain entertained at a very enjoyable bridge of four tables. A pleasant drive in the bright sunshine some good bridge, followed by choice refreshments and a happy get-together

all combined to make a very enjoyable afternoon. Winners of high and consolation were Mrs. Leslie Hand and Miss M. Gordon with Miss Ann Forgie and Mrs. Frank Sowden winning the Travelling Prize.

Messrs. Sarsons, Davis, Olson and Jack Kinsella enjoyed a fishing trip last Saturday. They brought home a fair catch and heaps of stories of how the fish wouldn't bite etc. etc.

Mr. Robert Campbell is quite sick at present. We hope for a speedy recovery for him.

Miss Gladys James of Raymond is home for the holidays. She is at present spending a few days with Mr. and Mrs. Norman Scher of Strathmore.

Mr. and Mrs. A. W. Ansell have left for their home by motor in Saskatoon, after spending several weeks at her parental home here.

Mr. and Mrs. A. M. Watson and family spent Wednesday in Calgary attending the funeral of Mr. Watson's sister, Mrs. Grey of Calgary, who passed away Sunday last.

Wedding bells will be ringing for another of our young bachelors July 1st. Congratulations are in order.

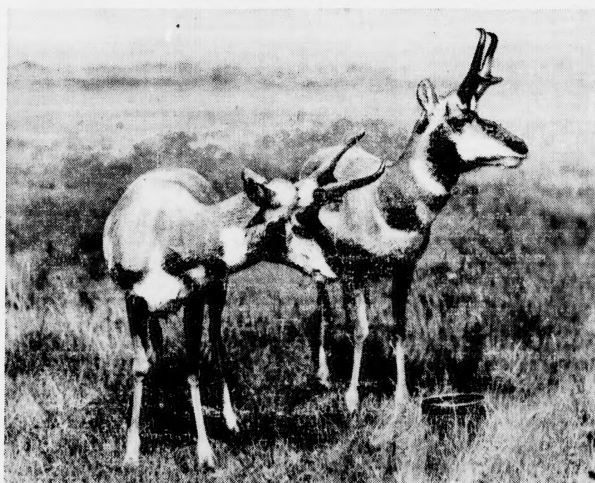

We have had a few days of summer weather this week. Makes a nice change. The crops are looking fine in this district. More sunshine and a little rain is all we want if we can just get it.

CHANCELLOR

By Mrs. J. M. W.—

We are sorry to learn Oswald Crowe
 is ill in the Calgary General Hospital
 and wish him a speedy recovery.

Our deepest sympathy goes out to
 Mr. and Mrs. Fred Holgate of Edmon-
 ton, sister of Mr. Phil Rogers, whose
 son, Jack, was killed in a plane crash
 at Jarvie, Ontario. Jack, who spent
 many summer holidays on the Rogers
 Farm, held a commission in the army,
 which he resigned to join the air crew.
 Mr. and Mrs. Phil Rogers journeyed
 to Edmonton on Thursday to attend
 the funeral of their nephew.

Ernest Elkins of Calgary is in town
 helping Glen Phillips while he is laid
 up.

Everyone was glad to see the rain
 on Wednesday night, as the crops were
 needing it. We had 3-4 inch.

Mr. Arnold Law, Mr. R. Chaytors,
 Mr. Hildebrandt of Thorley were visit-
 ing Mrs. Edith Law over the week-end.
 Cpl. and Mrs. Wm. Kapaniuk were
 week-end visitors of Mr. and Mrs. A.
 Hegl.

Mr. and Mrs. Sigurd Nielson and Mr.
 and Mrs. J. M. Wheatley attended the
 Masonic church service at the Angli-
 can Church in Strathmore on Sunday
 evening.

Calgary visitors this week were Mr.
 J. Sauer, Mr. C. Marsh, Harry Cham-
 ney Ernest Elkins and Mary Taber.

One of John's best friends had died
 so he called on the widow to express
 his sympathy.

"Jim and I were friends," he said
 "Isn't there something I could have as
 a memento of him?"

She raised her velvety brown eyes
 which a few seconds before had been
 wet with tears.

"How would I do?" she murmured.

 held their Annual picnic at Bow River
 on Sunday. Not many were present
 but those that were there report an
 excellent time and wonderful weather.

Several Standard Masons and their
 wives attended the Masonic church
 service at Strathmore Sunday evening.
 It was a splendid service with familiar
 old hymns and an inspiring message
 by Rev. Hoad.

"GOING HOME" PARTY FOR
POPULAR STANDARD TEACHER

On Friday evening, June 25th, in the
 church at Standard, a large gathering
 of friends met to bid adieu to Miss
 Marguerite Powne, who has taught
 the intermediate grades here for the
 past ten years.

During that time Miss Powne has en-
 deared herself to pupils and parents
 alike, and her teaching success is one
 of which to be proud.

Miss Powne has been granted a
 years leave of absence by the local
 school board and at the party in her
 honor the several speakers mentioned
 how happy everyone would be to wel-
 come her back again. They also spoke
 of the wonderful example which she
 set for her pupils by her good citizen-
 ship and willingness to aid any worthy
 cause. Special mention was made of
 her fine contributions to the local Red

Iron and Steel

The Canadian public knows, and
 admires, the successful struggle
 against food shortages in which
 prairie farmers have been, and still
 are, engaged.

Few people, however, know that
 but for the patriotism of farmers in
 the west, some steel mills in the east
 might have been unable to carry on
 last winter. About the 1st of July,
 1942, a system for collecting scrap
 iron and steel by country elevator
 agents was organized. All elevator
 systems have been engaged in the
 work. Thanks to the willing re-
 sponse of farmers and the enterprise
 of elevator agents, 3,200 cars of
 scrap have been shipped with a
 total of about 130,000 tons of metal.
 10,000 tons remain in dumps at
 various shipping points. This is
 because it has been necessary, until
 recently, to assemble at least 25 tons
 at a point before loading. Now,
 however, two stop-overs are allowed
 in order to make up a carload and,
 as a result, the local piles of less
 than carload lots will soon disap-
 pear.

This is no time to relax, because
 the need for scrap iron and steel is
 urgent. It is estimated that 65,000
 tons are still available on farms.
 The importance of getting this
 delivered and shipped is very great.
 Farmers will be paid \$7.00 per ton
 for scrap delivered to local elevator
 purchasing agents. Heavy stuff, such
 as steam engines, heavy tractors,
 etc., is worth \$4.50 per ton on the
 farm. It will be cut up and re-
 moved by the cutter crew. Any
 farmer having heavy scrap which
 requires the cutter crew should
 immediately notify the elevator pur-
 chasing agent.

The government has publicly
 acknowledged the achievements of
 farmers and elevator agents—but
 requires more scrap urgently. To
 delay is to postpone final victory.

Pat was having trouble trying to
 ride an army mule, who was bucking
 savagely. At last the kicking animal
 caught its foot in the stirrup.

"Begorrah!" says Pat, "if you're
 goin' to get on, I'm gettin' off."

Cross group, for which she has been
 "work convenor" since the Standard
 Branch was organized.

The church banquet hall was beauti-
 fully decorated for the occasion with
 garden flowers and honeysuckle.

Following an interesting and original
 program Mr. C. P. Dahl, on behalf of
 the assembled friends, presented Miss
 Powne with a sterling silver mirror
 brush and comb set.

The hostesses, who were Mrs. E.
 Wirt, Mrs. C. Elias, Mrs. Mons Han-
 sen, Mrs. C. P. Dahl, Mrs. S. E. Ras-
 mussen and Mrs. F. D. Knowlton,
 served a delicious lunch after the pro-
 gram. Later everyone joined hands to
 sing "Auld Lang Syne."

A pleasant feature of the evening
 was the presence of Miss Powne's
 Mother and niece, Mrs. A. L. Powne,
 and Miss Annie Powne from Big Valley
 who travelled over very difficult roads
 to be present at the party.

FOOD FOR FIGHTING MEN

Good nourishing food, and plenty of it, is still an essential part of the soldier's equipment. In producing enormous quantities of foodstuffs for our fighters, for armament workers, for the people of Britain and other embattled countries, Canadian farmers are engaged in a vital war work.

Miss Violet Groves, teacher at the Orange Valley School, arranged a picnic for her pupils and their parents and friends in the park in Strathmore on Sunday, June 27th. The picnic began at one o'clock with dinner in the north end of the park. After dinner everyone moved to the ball diamond where they had races and a very exciting ball game between the Orange Valley pupils and a pickup team of ladies. The ladies won by a close margin. Supper was then served, after which the party broke up. All agreed that it was a grand picnic and everyone had a fine time.

Ernie Wright is home from Barrie field Camp for two weeks leave.

Congratulations to Miss Georgia Chapman who has recently been awarded the degree of L. R. S. M. from the Royal Academy. Miss Chapman is a pupil of Mrs. Gladys McKelvie Egbert, of Calgary.

THE SCHOOL PICNIC

The Namaka and Cairnhill schools held a very successful picnic at the Beaver Dam on Tuesday, June 29th. The usual sports took place and prizes were given for the four best competitors.

The main event was the ball game between Namaka and Cairnhill school teams. It was exciting and evenly

matched right to the finish with Cairnhill leading most of the time. At the end of the ninth inning Namaka was up to bat with a score of 9 to 7 in favor of Cairnhill. Ruben Watts was first to bat, making a two base hit. The Dave Geddert knocked a one base hit and to top it off Nick Janzen stepped up and knocked a terrific home. The final score, was Namaka 10 Cairnhill 9.

After the game everyone sat down to a big hearty meal. Many of us I think must have overdone our eating capacity, but that does not matter because a school picnic only comes once a year.

THE RED CROSS BAZAAR

The Red Cross Bazaar which was on June 25th, at the home of Mrs. H. E. Johnson was a great success. A delicious lunch was served and thoroughly enjoyed out on the lawn. The Bazaar table was well patronized, everything being sold. The quilt and tea cloth were raffled, Mr. T. E. Pateson of Strathmore won the tea cloth and Wm. Fawkes Jr. of Namaka the quilt. The total amount made was approximately \$107.60.
